And Gem Travel is now part of the family.

HERE'S HOW YOU BENEFIT
BY HAVING US LOOK AFTER
YOUR BUSINESS TRAVEL.

50

YEARS OF SERVING
BUSINESS TRAVELLERS.
SINCE 1973.

FULL ACCOUNT MANAGEMENT

Dedicated senior account management, each with no less than 20 years experience, focused on understanding how client teams travel. With regular review meetings and reporting, we'll ensure your programme stays efficient, compliant, and aligned with your objectives.

FULL CONTENT

This includes worldwide air, private jets, worldwide hotels, worldwide transfers, worldwide car hire, UK rail, Eurostar, worldwide group travel, as well as further special ancillary services such as airport services, VIP and bespoke assistance.

PERSONAL SERVICE

You can be guaranteed of a personal, one-to-one service from professionals. Our experienced consultants are always available by phone or email to offer expert support and reassurance when it matters most.

RESPONSIVE

We're quick and precise to respond to your needs. Whatever the need, they are handled personally by our highly experienced senior consultants.

EXPERT HANDLING

A dedicated service that provides implementation and support of your travel policy and approval processes.

EMERGENCY SUPPORT 24/7

Whatever time of the day or night, you will always get a voice with a smile and a heartbeat when the unexpected happens.

BETTER DEALS BETTER RATES

You get access to our negotiated long-haul air fares through our £1.3bn buying power.

REAL-TIME REPORTING

You'll get on-demand analytical reporting providing travel arrangers with useful data on itineraries, suppliers and booking patterns, as well as expenditure analysis for Management and Finance.

TRACK

We provide real-time traveller tracking based on live itinerary data. You'll get instant visibility of staff locations worldwide, with proactive alerts and issue management so potential risks are addressed before they need to act.

EXPERT DATA HANDLING AND CONCISE INVOICE REPORTING

You'll get consolidated, per-trip invoicing that are fully aligned with your unique data points, such as PO numbers or Project References, for smooth, compliant processing and reconciliation.

**TRANSPARENT
TRANSACTION FEES**

Fee structures are simple, transparent and fully itemised. You'll always know exactly what you're paying for.

**CARBON
OFFSETTING**

You'll get clear information on where your carbon's coming from, how to reduce it, and how to balance what's left. Sustainable travel is a real responsibility here, not a trend.
